

Role: Management Accountant

Reporting to: Finance Manager

Based: Flexible

In-Chip Monitoring
Subsystem Solutions

About the Company:

Moortec Semiconductor is no ordinary company. We are looking for talented and enthusiastic self-starters with inquiring minds who are willing to support our cutting edge work in semiconductor IP design. We licence our in-chip monitoring products to a range of Blue Chip companies around the globe. From modest beginnings in 2005, we have now established ourselves as market-leaders and a forward-thinking global company and an industry employer of choice.

Our working environment is welcoming and friendly and you'll be surrounded by some of the brightest minds in the industry and world-class Engineers. For some of our roles it doesn't matter if you're not from an engineering background but it's always important you can share our company values of; **Expertise, Teamwork, Integrity and Balance.**

Employees are offered a challenging and fulfilling career path, where you will be encouraged to let your ideas flourish at every level and be supported in your development to fulfil your potential.

We also offer an excellent salary with a fantastic benefits package, flexible working, regular social events, modern offices located within the UK and Poland.

Unless otherwise specified the location of the position is flexible and can be located at Plymouth UK, Bristol Temple Meads UK or Gdansk Poland
